

# MAURO LOPEZ

Site Reliability Engineer · DevOps

📍 Sáenz Peña, Buenos Aires · 📞 +54 11 4430-3127 · ✉️ molopez991@gmail.com · [LinkedIn](#)

## PROFESSIONAL SUMMARY

Proactive IT professional with 6+ years of experience in cloud infrastructure, system administration, and reliability operations. I am currently working as a Site Reliability Operator SSR with hands-on experience across AWS, Azure, Linux, monitoring, and automation. Proficient in Docker, Kubernetes, Terraform, Ansible, Bash, and Python scripting. Passionate about observability, CI/CD pipelines, and building resilient, scalable systems. Seeking to grow as an SRE/DevOps Engineer in a collaborative, high-impact team.

## WORK EXPERIENCE

### Site Reliability Operator SSR · Netrix

Mar 2022 – Present

- Operated and maintained AWS and Azure infrastructure for a major U.S.-based SaaS client in the government tech market.
- Built and maintained monitoring dashboards in DataDog and Site24x7, reducing mean time to detect (MTTD) incidents.
- Automated recurring operational tasks using Bash and Python scripts, cutting manual effort significantly.
- Managed containerized workloads with Docker and supported Kubernetes cluster operations.
- Implemented infrastructure-as-code with Terraform; collaborated on configuration management with Ansible.
- Participated in CI/CD pipelines using Git and Azure DevOps (branching strategies, deployments, rollbacks).
- Led small-scale change management projects, owned incident resolution and post-mortem documentation.
- Collaborated directly with U.S. client engineers, working in English daily.

### IT Support & Systems Administrator SSR · Laboratorio Hidalgo

Apr 2018 – Jul 2021

- Provided L1/L2 technical support for ~100 end users across a hybrid on-prem and cloud infrastructure.
- Managed Windows and Linux servers: Active Directory, DHCP, DNS, Exchange, WSUS.
- Maintained and monitored VMware ESXi/vCenter, Postfix, SquidGuard proxy, and backup solutions (Veeam).
- Installed and configured network hardware, structured cabling, and PBX telephony systems.

### IT Security Consultant Jr. · Penta Security Solutions SRL

Nov 2015 – Jan 2018

- Delivered security and technical support to enterprise clients including Axion Energy and Banco Sáenz.
- Participated in penetration testing using Nessus, Acunetix, and Wireshark.
- Supported infrastructure audits and log analysis for compliance reporting.

## TECHNICAL SKILLS

|                   |                                                                       |
|-------------------|-----------------------------------------------------------------------|
| Cloud             | AWS (EC2, S3, IAM, CloudWatch), Azure (VMs, AzureDevOps), GCP (basic) |
| IaC & Config Mgmt | Terraform, Ansible                                                    |
| Containers        | Docker, Kubernetes (kubectl, deployments, services)                   |
| CI/CD             | Git, GitHub, GitLab, Azure DevOps, GitHub Actions                     |
| Scripting         | Bash, Python                                                          |
| Monitoring        | DataDog, Site24x7, Nagios, CloudWatch                                 |
| OS                | Linux (Ubuntu, CentOS, Debian), Windows Server 2012–2019              |
| Virtualization    | VMware ESXi, vCenter                                                  |
| Networking        | TCP/IP, Subnetting, DNS, VPN, VLANs, SquidGuard                       |

## Security Tools

Wireshark, Nessus, Acunetix, McAfee, Microsoft SCCM

## CERTIFICATIONS

---

- AWS Certified Cloud Practitioner
- Microsoft AZ-900: Azure Fundamentals
- Microsoft SC-900: Security, Compliance and Identity Fundamentals
- IT Essentials, Networking Essentials, Linux Administrator, Windows Server 2012 Admin — Educacion IT / ISTEA

## EDUCATION

---

**Informatic Networking Technician (In progress)** · Universidad [Nacional de San Martín](#) 2020 – Present

**High School Diploma — Humanities & Social Sciences** · Escuela [Normal N°3 José Hernández](#)

## LANGUAGES

---

**Spanish:** Native   **English:** Upper Intermediate (B2) — daily professional use
